

# Heavy Camera Equipment Transport System

Dr. John A. Allocca  
www.allocca.com  
2/2247

This setup was intended for wildlife photography. Two cameras and lens are ready at any time to shoot without changing lenses. The photographer can sit while waiting for wildlife. A tripod is included for long shots at slow shutter speeds, especially if a teleconverter is used. The small cases can be used for various accessories and personal items. The apparent weight of equipment increases proportionately with the age of the photographer. The cart can be pushed or pulled.

## Parts List

### **dbest products Trolley Dolly with Seat, Black Shopping Grocery Foldable Cart Tailgate**

\$124
